

**McKay Healthcare receives ARPA funding to replace lost revenue due to the COVID pandemic**

**Soap Lake, July 22, 2022-** Public Hospital District No. 4 of Grant County, which operates McKay Healthcare, was recently awarded an American Rescue Plan Act (ARPA) grant in the amount of \$1.1 million from Grant County. The hospital district commissioners, management and staff sincerely appreciate the ongoing support of the County Commissioners. The hospital district hopes to use these funds as part of a larger campaign to fund a major facility modernization project.

McKay Healthcare & Rehabilitation Center is located in Soap Lake and offers their residents a continuum of care including professional nursing care, rehabilitative therapy and support services. They serve 42 residents for both short and long-term needs. We consider it our delight and honor to care for our community members in this rural setting, where it is “Our Family Caring for Yours”.
